Additional Features

ARCHITECT

Richard Wengle, one of Toronto's best-known architects for high-end custom homes designed The Charbonnel as a contemporary interpretation of Midtown's historic architecture emphasizing proportion, limestone detailing and refined craftsmanship.

INTERIOR DESIGN

Brian Gluckstein of Gluckstein Design, designed the interiors with many upgrades by the owners to the kitchen, luxury finishes and classic contemporary styling.

LANDSCAPE ARCHITECTURE

Extraordinarily lush plantings provide a manicured framework on Oaklands Avenue for The Charbonnel. Ron Holbrook a renowned landscape architect, known for his elegant residential landscapes, designed the exterior gardens, courtyards and streetscape for Treasure Hill, the luxury home builder specializing in boutique infill communities.
